This 3 bedroom, 2 bathroom semi-detached house offers a perfect blend of modern living and sustainability.

One of the standout features of this home is its solar panels, which not only contribute to a reduced carbon footprint but also promise lower energy bills. Additionally, the property is equipped with an electric vehicle charging point, catering to the growing demand for eco-friendly transport options and parking for 2 cars.

Families will appreciate the home's location within a desirable school catchment area, providing easy access to quality education for children of all ages. The large garden is a true highlight, offering ample space for outdoor activities, gardening, or simply enjoying the fresh air in a private setting.

These particulars are believed to be correct but their accuracy is not guaranteed and they do not form part of any contract. Whilst every effort is made to ensure the accuracy of these details, it should be noted that the above measurements are approximate only. Floorplans are for representation purposes only and prepared according to the RICS Code of Measuring Practice by our floorplan provider. Therefore, the layout of doors, windows and rooms are approximate and should be regarded as such by any prospective purchaser. Any internal photographs are intended as a guide only and it should not be assumed that any of the furniture/ fittings are included in any sale. Where shown, details of lease, ground rent and service charge are provided by the vendor and their accuracy cannot be guaranteed, as the information may not have been verified and further checks should be made either through your solicitor/conveyancer or by referring to the home information pack for this property. Where appliances, including central heating, are mentioned, it cannot be assumed that they are in working order, as they have not been tested. Please also note that wiring, plumbing and drains have not been checked.
