WHAT'S INCLUDED?

£50,000 of contents cover as standard

Protect your personal possessions. From your everyday appliances to the belongings that mean the most – Cover the items that help keep your day going.

£10,000 of tenancy liability cover

For accidental damage to your landlord's items in the property that you are responsible for under your tenancy agreement.

Enhance your cover with optional extras, available when you get a quote.

Terms and conditions apply – see policy wording for full details.

Protect against deposit deductions

We know that getting your deposit back in full makes all the difference.

If you accidentally damage any fixtures, fittings, or property that you're liable for under your tenancy agreement, we can help you to put things right along the way - so that when your tenancy comes to an end, you're less likely to be impacted by deposit deductions.
